

CALICO DREAMS NEWSLETTER

Welcome Everyone to our May Newsletter. Well the weather certainly has cooled off and I am enjoying the excuse to sit inside and stitch on those rainy days.

Our Bowl Class which was run by Julie Rose was a real hit with the ladies who came. It certainly made a difference with what fabrics you chose. We may look at running this class again so if you are interested please let us know and we will pop your name on the list. Have a look on Facebook to see the ladies bowls they created.

Due to a lack of interest and the dates not suiting some people we have cancelled the Nine Patch Quilt classes. We may look at running this in July if the numbers are there.

Our next class is the Decoupage Class which is in June. This class is now full but we can take names of those interested and run it again or if anyone cancels.

Our latest small BOM is called Ribbit. It is run over 5 months. The first month cost \$50 and the last four blocks are \$27 each. If you are wanting to buy the whole set it is \$158. It measures 30" x31" and stitched in beautiful cottage garden threads.

We have also had some beautiful Moda fabrics arrive in pretty greys. The large floral print is also available in Laminate.

We are also awaiting in the post in the next week or two some new patterns from several designers. We are looking forward to creating some new samples so watch this space.

Below is our selection of needle nannies which are magnetic sewing tools used to hold needles and are even strong enough to hold a small pair of scissors. The other photo is of a beautiful floral range of fabric called Fidelia also available in charm packs and jelly rolls.

We look forward to seeing all our lovely customers over the next few months. Stay safe, keep warm and enjoy some stitching.

Kindest Regards

Julie and Kelly
